

Waste Collector (40 hours p/w)

EJL Services BV is looking for Waste collectors. The waste collector is responsible for assisting with garbage collection services in order to ensure that garbage is collected, transported and disposed of in an appropriate manner.

As waste collector you are responsible for assisting with the operation of the garbage truck in a safe and appropriate manner. He/she must conduct all activities according to the delivery and collection schedule and all relevant policies and procedures. The Waste collector must also clean, maintain (daily) and secure all equipment as directed by legislation, policies and procedures.

Desired Qualifications/ Requirements:

- Able to read and speak the English language well enough to communicate, understand, and respond to questions, instructions, signs, signals and safety measurements.
- Flexible.
- Team player.
- (Pre) experience with waste activities.
- Ability to operate required equipment in a safe and responsible manner.
- Client service and public interaction skills.
- Ability to perform physical requirements of the job (prolonged physical exertions including standing)
- Ability to work in various conditions with exposure to weather elements.
- Exhibit the ability to distinguish between various recyclable materials.
- Safety conscious.
- Ability to follow written and verbal instructions.
- Knowledge of garbage collection and disposal procedures.
- Deals with the public in a positive, courteous and respectful manner.

Responsibilities:

- Perform duties in a safe manner in compliance with all local and company policies.
- Maintain an excellent attendance record and an excellent safety and work quality record.
- Other duties as assigned.
- Inspects trucks prior to beginning routes to ensure safe operating conditions.
- Fills out any needed reports for defective equipment.
- Operates equipment that compresses the collected waste.
- Operates automated or semi-automated hoisting devices that raise waste bins and dump contents into openings in truck bodies.
- Collects garbage from buildings, businesses and other facilities as per schedule to ensure garbage is removed, transported and disposed of according to set policies and procedures
- Performs other related duties

We offer you:

- 40 hour work week.
- A good salary that fits the function.
- A package of employment benefits.
